REGISTRATION OPTIONS and PAYMENT POLICY

Once the enrollment packet is completed and returned and a \$25 enrollment fee is paid, participants may register via walk-in, call-in or credit card authorization. All registrations are taken on a first-come first-serve basis.

- Turning in an enrollment packet does not reserve spots for camp. You must register and pay for the weeks you want/need.
- Guarantee your child's spot this summer and arrange to have your summer camp fee automatically charged to your credit card for the weeks you have pre-selected. These payments are processed on the Thursday prior to the week the child is registering for. A Credit Card Authorization form must be filled out prior.
- If the credit card given on the CC authorization form is declined you will have until Friday at noon to submit a different form of payment or will be charged the late fee.
- As always, you are able to pay and register on a weekly basis. Space is on a first come, first serve basis and payment is due the Thursday prior to the week your child will be attending.
