Each family must provide sunscreen for their child. All bottles must be labeled with the child's first and last name. Staff will supervise the application of sunscreen and help children with its application if needed. If your child burns easily, send an extra shirt for him/her to wear while swimming. We strive to prevent sunburn and we appreciate the parent/guardian for sending the child prepared. Sunscreen will be applied prior to all outside activities.

ALLERGIES

In order for our staff to better serve your child, it is imperative that parents inform staff of any allergies that their child may have or had, for example, food, medication, bee sting or other substances.

- Elevated temperature

Sick children will be provided with a place to rest comfortably until they go home. Parents will be notified to come and pick up their child within the hour. Child must be symptom free and on 24 hours of antibiotics before returning to the Kidz Korner. Please notify the Kidz Korner if your child contracts a contagious disease, such as whooping cough, German or regular measles. It is a licensing requirement that signs be posted to notify families.

ACCIDENTS AND EMERGENCIES

The Kidz Korner staff is First Aid and CPR certified and has been trained in emergency procedures. Emergency numbers are available at each site. Plans for handling fire, floods, tornadoes, severe weather, lost or missing children, injuries and illnesses are on file at each site. We will call you or your emergency contact person to notify you of a minor accident or injury. When there is no question that your child must be taken to the doctor or the hospital, we will call you to inform you of our course of action as soon as possible. ***It is vital that you keep our staff updated in case of changes in your phone numbers at work and at home and any other contact information.***

LOST CHILD

This is a subject that is in the back of our minds most of the time, but it is important. It is our policy to determine that the child is really missing. After a brief but thorough search of the Kidz Korner and the playground, the parents will be notified and asked to come to the Recreation Center. One staff person along with whatever help is determined necessary will continue to search until the child is located.

NATURAL DISASTERS/EMERGENCIES/THREATS

In the case of a natural disaster CCMRD Kidz Korner will follow its Emergency procedures specific to the incident. The Kidz Korner follows the Sampler Mill Recreation Center guidelines set forth for evacuation and notification. If an emergency of this nature were to occur parents would be asked to be available at the number they have listed as an emergency contact and The Kidz Korner staff will notify the parents of the procedures being taken. We ask that parents do not call but wait to be notified. The emergency procedure manual is available to all persons for review at the site.

FIRES

When the Kidz Korner is alerted of a fire, all children will be asked to line up calmly and escorted outside. Kidz Korner staff will take the attendance sheet, emergency book, cell phone and GO-Bag with them outside. Everyone will be escorted to a safe area away from the building (Carlson Elementary). If we are not able to return to the building a Kidz Korner staff member will contact you as to where you can pick up your child.

REPORTING OF CHILD ABUSE

CCMRD Kidz Korner at The Sampler Mill Recreation Center is a licensed childcare program. The Kidz Korner is mandated to report any suspicion of child abuse or neglect to Social Services. The license indicates that the program has met the required standards for the operation of a childcare facility. If you have not done so, please ask to see the license.

If you believe that your child has been abused, you should seek immediate assistance from your county Department of Social Services. Colorado law requires that childcare providers report all known or suspected cases of child abuse or neglect.

The telephone number to report abuse is: 1-844-264-5437

CLEAR CREEK COUNTY HUMAN SERVICES: 303-679-2365

Childcare services play an important role in supporting families, and strong families are the basis of a thriving community. Your child's education, physical, emotional, and social development will be nurtured in a well-planned and run program. Remember to observe the program regularly, especially with regard to children's health and safety, equipment and play materials, and staff. For additional information regarding licensing, or if you have concerns about a child care facility, please consult the Colorado Department of Human Services, Child care Licensing, at 303-866-5958.

PROCEDURES FOR DROP OFF/PICK UP & SIGN IN/OUT

It is required by The Kidz Korner and the Department of Social Services that only authorized persons sign their children in and out each day. **It is not acceptable for children to sign themselves in and out** unless that child walks to and from the child care site and the parent has completed a "Permission to Walk" Form. We will expect you to call to let us know that your child is not attending The Kidz Korner.

Your child will be released only to the individuals that you have designated on the Child Information Record and they MUST be physically signed out.

If you need to make changes to the list of people authorized to pick up your child, please do so in writing. If there is an emergency, please call the Kidz Korner and we will make special arrangements. We will ask for a picture ID and check the authorization for the release of the child. If the person is not authorized to pick up the child, the child will not be released. If an unauthorized adult attempts to take a child without permission, the parents and the police will be called. The Kidz Korner staff will call 911 regarding anyone picking up a child who appears to be under the influence of alcohol or drugs, or otherwise incapable of providing responsible care to the child.

These procedures are for the protection and safety of your child and staff, and for your peace of mind.

LATE DROP OFF /After 9:00am

If your child arrives late, the parent needs to take the child to the location of the scheduled activity. It is the parent's responsibility to have the child at the site prior to the van leaving for the scheduled field trip. If a child is brought to a field trip location, the parent must sign in the child even if the child has a permission to walk form. Please notify the Kidz Korner in advance if you will be bringing a child late.

CLOSING PROCEDURES

Before a staff member closes the building, all rooms including bathrooms and closets that the childcare program utilizes will be searched to assure no child is left in the building and playground. The staff will review the sign in and out sheets to assure all children that were signed in are signed out by an authorized individual. If there are any question in these procedures staff will call the parent/guardian first and then proceed with authorized pickups to assure the safety and well being of the child.

RELEASE OF RECORDS

Due to the volume of requests for information coming into the Kidz Korner, and the necessity of protecting the privacy of the children in our care and the parents and guardians who utilize our services, the Kidz Korner has established a policy, which prohibits release of information without the tender of the **Authorization, Release and Request for Information form**. This form can be obtained from the Kidz Korner Director.

POLICY REGARDING DISCUSSIONS CONCERNING MINOR CHILDREN, PARENTS, OR GUARDIANS WITH THIRD PARTIES

Discussion concerning any child, parent, or guardian with any third party will only be allowed with those individuals with whom authorization for release of the child (pick up) has been given on the registration form. Discussions concerning any child, parent, or guardian with any third party not authorized on the registration form, will occur only with a member of CCMRD administration present, and must be scheduled with the Director of the Kidz Korner.

PROGRAM LOCATION OF CHILDREN

Staff supervise children at all times. Attendance is taken each day and staff takes roll call to account for all children. Staff utilizes attendance sheets and head counts every ten minutes to account for children. When restrooms are not located immediately adjacent to the childcare room, children are accompanied by a staff member.

TRANSPORTATION

Children attending the Kidz Korner will be transported in CCMRD vans. All children are required to wear seat belts when riding in the vans. It is the CCMRD Kidz Korner responsibility to transport these children safely and to comply with Motor Vehicle Laws. A child must follow instructions and cooperate. If his/her behavior is affecting the safety of the other children, the participant's parents will be notified and your child may be dismissed from the program. We all want a safe and happy experience for the children. Safety is our primary concern. During the summer day camp season some camp participants will be transported by a school bus, we contract through local public school transportation. The public school transportation departments are required to follow State of Colorado Transportation Laws. We only transport children age five and older. If a child is unruly on the bus, a parent will be called to pick up the child from the current location in order to maintain a safe environment for all children. Booster seats are provided for children who require them.

FIELD TRIPS

Field trips are a scheduled part of our program and will be posted in the weekly schedules, as well as in the Sampler Mill Recreation Center Office. A sign will be left at the site for parents describing the location and return time of the group. During full day care we ask that all children be dropped off by 9:00 am. If your child arrives late and has missed the departure for the field trip, the parent will assume the responsibility for transporting the child to the group at the field trip location and locating staff to sign the child in (even if the child has a walking permission slip), or finding alternative care for the day. Schedules are subject to change; please call the Sampler Mill Recreation Center or talk with the Kidz Korner Director for updated information. Please realize that our drivers are instructed to consider safety first, and that they may run late when traffic or weather problems occur. Any time a program is away from the site, parents are given a written agenda of the field trip.

MEALS AND SNACKS

Snacks – A morning and afternoon snack will be provided for your child. You are required to provide your child a well-balanced, nutritious lunch on days your child is enrolled for full-day care. Please do not send glass containers or microwave food.

We want snack/lunch time to be an enjoyable experience for children. The atmosphere will be kept pleasant with conversation encouraged along with eating. No child will be forced to eat, nor denied food as a form of punishment. ***Make sure that staff is aware of any food allergies your child may have.***

PERSONAL BELONGINGS

It is the intent of the Kidz Korner to make children as responsible for their belongings as possible. We believe that a child learning to care for one's belongings is an important life skill that we want to foster. You can help by labeling your child's belongings for easy identification.

WHAT TO BRING

Please provide your child with something that will hold his/her belongings and can be easily carried. Please read the activity schedule to determine what a child might need to bring. It is always recommended to bring items such as a swimsuit, towel, athletic shoes, & water bottle. These items including a lunch are required during Summer Camp.

WHAT NOT TO BRING

Do not allow your child to bring expensive clothes, gang clothing or items such as guns, knives, or any type of weapon or propellant toy; I-Pod; I-Pad; Cell phones, game boys; pets of any kind; or money unless specified in weekly schedule. **DO NOT LET YOUR CHILD BRING ANY ITEM HE/SHE CANNOT AFFORD TO LOSE! The Kidz Korner is not responsible for lost or stolen items.**

LOST AND FOUND

The Kidz Korner will keep a lost and found on site. Check for lost items daily, as we donate the unclaimed items to charity, after 15 days.

WEATHER

We want children to have the opportunity to experience the changing seasons. All children need to be prepared to go outside on a daily basis. This gives children a chance to get fresh air, run, and climb and roll in a large natural setting. We are aware of temperature and natural weather changes. Please send appropriate clothing for your child, e.g. snow boots, gloves, mittens, hats, jackets, and sunscreen. During hot weather, water is available at all times. Some activities are planned in the shade or indoors. If the temperature is below 30 degrees (F) the children will stay indoors during the summer months if the temperature raises over 100 degrees (F) the children will stay indoors.

MOVIE POLICY

Movies will be shown occasionally during the program. We will be posting the movie before it is shown to the children. The movie will be offered to children as an option and will be a G rating (or PG rating with written parent approval). No PG 13 or R rated movies will be shown in school-age programs.

DISCIPLINE

Discipline will be handled in one or more of the following ways: We may talk with the child, talk with the parent, offer "alone time", or file a misconduct report, which could result in suspension or termination from the program. Kidz Korner staff may take any reasonable action, which does not harm, humiliate, isolate (alone), or deny the child food in order to correct behavior that is inappropriate. Appropriate guidance strategies will always be used when dealing with challenging behaviors.

DIFFICULT CHILD

Occasionally it becomes necessary to inform parents of disruptive/challenging behavior that is above and beyond the typically expected range. In an event such as this, a behavior report (Parent Communication) is written and submitted to the Kidz Korner Program Director. A copy is given to the parent along with some discussion from the staff regarding the child's behavior. In cases where a child receives two behavior reports, a conference will be scheduled to discuss the child's continued participation in the program. In some cases, it becomes necessary to dismiss a child from attending the Kidz Korner. If this occurs, parents will be asked to find alternative care immediately. No child will be dismissed without the benefit of a conference between parent and staff first.

STAFF QUALIFICATIONS

The quality and effectiveness of the CCMRD Kidz Korner is directly related to the skills, experience and personal characteristics of staff. Recruiting, selecting, training and supporting staff is essential to maintaining the integrity of the program. All staff are required to have experience in working with children, knowledge of recreational activities, and must possess certain qualities in order to serve as role models and mentors for children. The staff is selected for personal qualities of warmth, empathy, and ability to relate positively to children. They receive training in many areas: Positive guidance strategies, Safety, Child/Adult communication, numerous activities including arts/crafts, games, etc. Kidz Korner staff are First Aid & CPR certified. Background checks are conducted on all staff. This includes criminal record background checks, Central Registry checks and reference checks. Volunteers MUST fill out a volunteer application form and it will be on file at the Sampler Mill Recreation Center.

RATIO

The Kidz Korner follows the Department of Human Services for the State of Colorado. Division of Child Care Licensing requires a 1:15 ratio for school age childcare. A 1:10 ratio is usually in effect during Summer Camp and swimming. The Kidz Korner strives to run programs at a ratio lower than that required by State Licensing.

PREVENTION OF CHILD ABUSE

The Kidz Korner is committed to a vigilant effort to safeguard and enhance the lives of children entrusted to our care. Every reasonable effort is made to reduce risks to children. Staff are trained, supervised and evaluated in the prevention of child abuse. As current information about child abuse demonstrates, there are no documented procedures to eliminate this risk. Nevertheless, the growing body of information about the nature, prevalence and effects of child abuse has created an enhanced awareness for childcare providers, families and the general community. The Kidz Korner has in place a detailed training and reporting program. All Kidz Korner staff are considered to be Mandatory Reporters.

COMMUNICATION WITH STAFF

The Kidz Korner has a Director in charge. If you have a message or concern and are unable to reach that person, please contact the Recreation Center Manager (Laura Allen) at the Clear Creek Recreation Center @ 303-567-4822.
